

ECONOMIC IMPACT: SHOOTING SPORTS

SHOOTING SPORTS PARTICIPATION

725,612 RESIDENTS

participated in shooting sports in 2022

NEARLY 6,000 STUDENTS

participate in ODWC's trap shooting program

More than 50,000 STUDENTS

participate in ODWC's National Archery in the Schools program. Since 2010, Oklahoma has produced 8 team and 12 individual NASP & IBO 3D National Championships

ODWC is engaged in a multi-year plan to renovate or build new public-access shooting ranges for recreational shooting opportunities across the state for the benefit of shooting enthusiasts.

ODWC also supports youth shooting sports by providing manpower, equipment and running the state FFA shotgun competitions.

TOTAL IMPACT

All of the time spent enjoying shooting sports has a big impact on the state's economy. Oklahoma's recreational sport shooters contribute more than \$1.65 billion annually to the economy.
