

Harvest Reporting with Go Outdoors Oklahoma

Harvest Reporting Quick Start Guide If you require assistance, please call Technical Support at 1-833-721-1035

Go Outdoors Oklahoma Mobile App

Submit a new Harvest Report using the mobile app

If you have access to a smart phone, you can download the Go Outdoors Oklahoma mobile app to submit harvests, even if you do not have cell phone service. To submit a harvest with the mobile app, follow these steps:

- Open the Go Outdoors Oklahoma mobile app and select <u>Mobile E-</u> <u>Check</u> in the bottom right corner.
- 2) Select the species you want to submit a harvest report for from the <u>Harvest Species</u> drop down.
- Complete all fields on the form for the species you selected and touch <u>Save</u> and <u>Submit</u> at the bottom of the form.

After submitting a harvest report for any species, you will receive a confirmation number in a pop up like the one on the right.

View Mobile Harvest History

After submitting a harvest report, you can review your submission or any previous mobile submission by touching the <u>Your Mobile History</u> button at the top of the page after selecting Mobile E-Check from the app home screen.

- The confirmation will display all, or most, of the information provided in the submission
- Confirmations are ordered by submission date with the most current appearing at the top
- The <u>Confirmation Number</u> will always be listed at the bottom

Offline Reporting

You can submit harvest reports even if you do not have an internet connection or cell phone reception. To submit a harvest offline, follow these steps:

- 1) Open the Go Outdoors Oklahoma mobile app and select Mobile E-Check.
- Complete the harvest submission form and touch the <u>Save and Submit</u> button at the bottom.

Save and Submit		
	Save and Submit	Save and Submit

- After touching the Save and Submit button, you should receive a "<u>No Web Connection</u>" pop up notification like the one on the right.
- Your harvest submissions will upload the next time you connect to the internet or return to an area with cell phone reception. You will receive a pop up notification like the one on the right.

	11.00 AM

Game Checks

6) When you connect to the internet or return to an area with cell phone service, this confirmation will be updated with the appropriate date and time

Go Outdoors Oklahoma Online Licensing System

Submit a new Harvest on License.GoOutdoorsOklahoma.com

If you do not have access to a smart phone, you can submit harvests online when you have access to a computer – remember to submit your harvests according to any regulatory time restrictions.

- Login to Go Outdoors Oklahoma at <u>License.gooutdoorsoklahoma.com</u>.
- After logging in, you should see three large icons titled Purchase Licenses, E-Check/Harvest Reporting, and Controlled Hunts.

No Web Connection Game Check Saved – Not Sent.

Game Check Saved – Not Sent. Do not re-enter. You can view your harvests made through this app by clicking Your Mobile History. Please reopen this app when you regain internet connection. Your game check will then submit automatically and return your confirmation number.

OK

3) Click the middle picture labeled <u>E-Check/Harvest Reporting</u> in the center of the page.

Reporting Assistance

If you need assistance with any of the following issues, please contact your county Game Warden:

- Submission information is wrong and needs to be corrected
- The harvest has been reported more than once, and needs to be removed or invalidated
- You need more information about Harvest Reporting regulations and legal requirements

Note: You can locate the Game Warden for your county by going to <u>https://www.wildlifedepartment.com/law/game-warden-directory</u>

If you need assistance submitting a harvest report or navigating the online licensing system, or you are experiencing other technical difficulties, please call technical support at 1-833-721-1035.
