Legal description of land being considered for Landowner Incentive Program:

Physical directions to above described property from nearest town:

I, as a non-government landowner in Oklahoma, wish to make application to participate in the Landowner Incentive Program for the conservation, enhancement, and restoration of short & mixed grass prairie habitat and associated wildlife species through a Private Lands Conservation Agreement with the Oklahoma Department of Wildlife Conservation.

I understand that an authorized ODWC representative will contact me to make an onsite visit to jointly complete a Habitat Evaluation Form. Submission of this application does not guarantee applicant will receive any incentive payments from the Landowner Incentive Program.
