

# Hummingbird Survey

Oklahoma's Wildlife Diversity Program is trying to learn more about our state's hummingbirds. By completing the following survey, our biologists can obtain more information on the state's hummingbird population and learn how long these fascinating migrants reside in Oklahoma each year. Past years' summary results are available online or by request.

Bill Crow, Tecumseh

## About the Observer:

\_\_\_\_\_  
**Observer Name (First, Last)**

\_\_\_\_\_  
**Observer Address**

\_\_\_\_\_  
**City, State, Zipcode**

\_\_\_\_\_  
**E-mail (if applicable)**

\_\_\_\_\_  
**County**

\_\_\_\_\_  
**Home Phone Number**

## About the Sightings:

\_\_\_\_\_  
**Date Hummingbird Feeder Installed**  
(mm/dd/yyyy)

\_\_\_\_\_  
**Date First Hummingbird Spotted**  
(mm/dd/yyyy)

**Species of Hummingbird First Spotted:**

- Ruby-throated Hummingbird  Male
- Black-chinned Hummingbird  Female

\_\_\_\_\_  
**Date Hummingbird Feeder Taken Down**  
(mm/dd/yyyy)

\_\_\_\_\_  
**Date Last Hummingbird Spotted**  
(mm/dd/yyyy)

**Species of Hummingbird Last Spotted:**

- Ruby-throated Hummingbird  Male
- Black-chinned Hummingbird  Female

**How many feeders did you install this year?** \_\_\_\_\_

**Did you provide plants that are attractive to hummingbirds? If so, please list the plants used in order of most frequent to least frequently visited.**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Please list other species of wildlife that used your feeder (rare and unusual hummingbirds, other birds, insects, etc.)**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**We love to hear about your hummingbird feeder experiences! Feel free to share any stories, memories, or attach photographs:** \_\_\_\_\_
