**Fishing Guide License Information and Requirements:**

Beginning July 31, 2010, an annual fishing guide license is required for residents and non-residents who assist, accompany, or transport, guide or aid persons in the taking of fish for commercial purposes. A fishing guide license does not exempt the license holder from an Oklahoma Fishing License. The fishing guide license must be with you or on your person. Licenses can be obtained via mail, online or in person at ODWC Headquarters.

- Exemptions include:
- 1) Landowners or agriculture lessees who provide such services on properties they own or lease.
  - 2) Persons assisting the licensed guide in the same vessel.
