------------------------------------	------------------

The Oklahoma Department of Wildlife (ODWC) works to enhance recreational sport fish populations and provide increased recreational fishing opportunities throughout the state of Oklahoma by stocking fish annually into public fishing waters.

In 2025, crews made 376 stocking trips, delivering fish into 89 different bodies of water. Four (4) ODWC Hatchery crews and nine (9) ODWC regional crews worked with the following agencies: HB Parsons Fish Hatchery (OKC Parks and Recreation), US Fish & Wildlife Service, Tishomingo National Fish Hatchery, Greers Ferry National Fish Hatchery, Norfolk National Fish Hatchery, Colorado Parks & Wildlife, Kansas Wildlife & Parks, Nebraska Game & Parks, Wyoming Game & Fish; and various commercial fish suppliers and city municipalities.
