

2025 Legislative Session

Legislation that has been signed by the Governor:

SB 447 by Sen. Mary Boren and Rep. Danny Sterling. Allows foraging of nuts, berries and edible plants on state-owned or managed properties, for personal use only specifies that the Wildlife Commission shall establish rules relating to foraging on WMAs by July 1, 2026. Bill is effective Nov. 1, 2025.

SB 448 by Sen. Warren Hamilton and Representative Jim Grego. Stating that the Oklahoma Wildlife Conservation Commission shall create a lottery system as needed for the distribution of permits (up to \$100) authorizing nonresidents to hunt, kill, or trap wildlife from such Wildlife Management Areas. Bill is effective Nov. 1, 2025.

Senate Bill 777 by Senator Jett and Rep. Rick West. Allowing licensed producers to collect limited broodstock of certain game fish and nongame fish from public waters for use in enclosed, recirculating aquaculture systems. Also adds hybrid striped bass to the list of fish classified as game fish. Provides provisions for the Oklahoma Department of Wildlife Conservation to establish rules related to broodstock collection, propagation and sale of certain species. Bill is effective Nov. 1, 2025.

SB 940 by Sen. Darcy Jech and Rep. Mike Dobrinski. Directs state agency property owners to compile and submit reports on invasive woody species. Bill is effective immediately.

SB 1073 by Sen. Casey Murdock and Rep. Carl Newton. Adds raffle authority to existing special commission tags and provides that the Wildlife Conservation shall use a lottery system for mountain lion hunting, should the Wildlife Commission authorize a season on mountain lions or any other species for which there is not an open season. Bill is effective Nov. 1, 2025.

SB 1077 by Sen. Casey Murdock and Sen. Spencer Kern and Reps. Judd Strom and Chris Kannady. Allows hunters to transport into the state any intact, dead cervidae if they are going to a taxidermist in good standing with the Secretary of State. Bill is effective Nov. 1, 2025.

HB 1588 by Reps. David Hardin, Jared Deck and Arturo Alonso-Sandoval and Sen. Tom Woods. Creating the Spring Creek Watershed Study and provides that the Oklahoma Conservation Commission shall coordinate such study. Bill is effective Nov. 1, 2025.

Legislation That Has Been Vetoed

SB 208 by Sen. Roland Pederson and Rep. Ty Burns. Requires Hunting Guide License Rules to be promulgated by ODWC to meet certain criteria and established requirements that provide for the protection of private landowners and hunting clients. Bill would have been effective Nov. 1, 2025. Passed by the Senate and House.
