SUBCHAPTER 13. HUNTING AND FISHING LICENSE DEALERS

800:1-13-14. Lifetime fishing upgrade to Lifetime Combination fishing and hunting license

(a) A resident who holds a valid lifetime fishing license may upgrade to a lifetime combination fishing and hunting license for a fee that is the difference between the current cost of a combination fishing and hunting lifetime license and the amount paid for the resident lifetime fishing license.

(b) Upgrade requests must be submitted through the official application process established by the Oklahoma Department of Wildlife Conservation.

(c) Only applicants who currently meet Oklahoma residency requirements, as defined in Title 29 § 2-138 and 4-114, are eligible for approval of the upgrade described in this section.
